Welcome to this spacious and thoughtfully designed home with plenty of space for everyone. The upstairs living area is bright and open, leading into the large dining area. The kitchen features newer appliances and a breakfast bar with excellent views of the valley while maintaining privacy from neighbors. The main floor has 3 bedrooms, including a large master bedroom and full ensuite, as well as a full bathroom, and laundry room leading into the two car garage. Downstairs you'll find a fully finished basement, complete with separate walkout entrance and a huge open area that's perfect for kids. Natural light is in ample supply downstairs, with windows on every wall. There is another bedroom and oversized full bath downstairs, as well as a large storage area/workshop to keep everything organized. Step outside and be greeted by a fully fenced and landscaped yard. Complete with central air, this home has everything you need to enjoy a comfortable and quiet neighborhood in a central location. Call your Realtor to
