An executive home in the heart of a recreational paradise!! This well appointed 4 bedroom and 3 bathroom home has been tastefully finished with quality finishing throughout the home which includes solid wood interior doors and wood finished windows, hardwood floors, granite counter tops in the kitchen and bathrooms, stainless steel appliances, high quality window coverings, alarm system, t and G pine vaulted ceilings, and manicured landscaping with a featured fireplace in the back yard. This home features grand living areas with an upstairs loft, a basement rec room and family room. The living room has a feature wall that is full of windows to capture the great Rocky Mountain views and a grand fireplace to accent this fine country cottage. There is a large wrap around deck that allows you to enjoy the mountain views in the morning, sun in the afternoon, and then evening sun. This offering will make the perfect home with a large detached garage to store your toys and plenty of room for guest or RV parking. Columbia
