Welcome Home

West Coast Wonderful – a sleek, large, and well-designed home that makes the most of light, offers striking ocean and mountain views, AND it's lowbank waterfront with a large patio at beach level! With almost 2800', 3 bdrms and 3 baths, a double car garage, workshop, and dedicated storage space, you'll not be short on room in this gem. Top level features the master bdrm with spa-like ensuite and vaulted ceiling, and it opens to a sunroom and priceless ocean vista. An office nook's right outside - it overlooks the main floor's lovely open kitchen and dining space, living room with fp, and another great sunroom for dining/entertaining above the sea! The self-contained workshop or office space and extra bath are on the lower floor. The yard's easycare, and street appeal begins with a patio beneath a Japanese maple. Imagine living next to the water – like vacation 24/7! View this select home soon!
