\$629,000

5145 Elsie  
Holmes Road

Scan for more info!

Amazing property ready for new owners! Notable highlights of this country home include solar panels on both the front and back, a top-notch security system with 9 cameras, along with a NEW furnace, new heat pump, and new hot water on demand. This home boasts an average power bill of less than \$20 per month! The spacious double car garage was built in 2021 and features a loft space with dormers and ample light coming in. In the house you have 3 bedrooms, 1.5 bathrooms, living, kitchen, dining, office and an additional sitting room. Outside is a wonderful oasis that features a large deck, hot tub, cold tub, fire pit, beautiful flower gardens, sectioned off fully fenced yards for your furry friends if you need, and a multitude of fruit tree's including plum, cherry, apple and raspberry, blueberry and blackberry plants. In the back there is also a summer guest cottage with plumbed bathroom (including shower), and a barn that was converted into a studio space for you to bring your
