

605-7337 Prospector Avenue, Radium

Own a Penhouse in the mountains!

\$434,900

Amazing opportunity to own a Penthouse in the Mountains. This spacious 4-bedroom, 3-bathroom condo takes up the entire top floor with mountain views in every direction and is being sold fully furnished. Short term and long-term rentals are allowed making this the perfect opportunity to generate an income while you are not there. A grand primary bedroom with its own balcony facing the Rocky Mountains comes complete with a walk-in closet and a huge ensuite including a big corner jetted soaker tub and walk-in shower. Just down the hall are two more large bedrooms both with double closets. The open concept kitchen, dining and living room areas have vaulted ceilings, hardwood floors and tons of large windows to let the natural light shine in. There is a third balcony just off the dining area which faces west for beautiful views of the Purcell Mountain. Click on the media link to view a 3D Virtual Tour.
