9646 Creekside Drive

Gorgeous waterfront with the best unobstructed views on the street! Located on the sunny side of beautiful Cowichan Lake, in the highly sought-after community of Creekside. This beautiful craftsman style cottage is finished with care and attention. The open-concept main level is designed for indoor/outdoor entertaining with custom Eclipse doors that open up the entire wall onto the covered deck - featuring topless glass deck panels for a stunning infinity view of the crystal-clear water. With 4 bedrooms, 3 bathrooms and a family room, there is plenty of space for entertaining family and friends. You can also enjoy the stunning views from the large master bedroom. Beautiful wide plank flooring throughout and heated floors in all bathrooms and basement. Outside you will find three covered decks, two fire pits, a low maintenance yard and a cleared beach.
