## N9986 VIRGIN TIMBERS LN

EXECUTIVE HOME on LAKE ALICE! This stunning home has an award-winning floor plan. The kitchen, living, and dining areas have wood cathedral ceilings and large wall of windows to the lake. There is also a natural stone-faced, gas log fireplace. Some of the upgraded items are Hickory flooring, cabinets, crushed quartz countertops, an island with seating, and a large walk-in pantry. To complete the main level there is an office and sunroom with a wet bar - that faces the lakeside, a laundry room, and a half bath. The main floor owner's suite has patio doors to the lakeside deck, a gas log fireplace, a large custom cabinetry walk-in closet, and an owner's private bathroom with an oversized jetted tub. The lower level is a walk-out with lots of daylight windows, a second bedroom suite with a private bathroom, a third BR, family room, full bathroom, and three dedicated rooms for storage and mechanicals. The property is professionally landscaped with a pond water feature.
