Home Sweet Home

A wealth of windows to welcome light, two floors of generous space, and surrounded by parks ... here's a great 4 - bedroom (+den!) family home in the Chase River area of South Nanaimo, where it feels like the country but the city's not far away! Imagine calling this 1968 sq. ft. well - kept property on a quiet, leafy street home. Three bedrooms on the main floor (one with cheater ensuite), gas fireplace in the bright living room (where the window bench will be a favourite spot), and step onto the big, ideal- for - entertaining - deck off the kitchen. The lower floor features the largest bedroom (w/walk-in closet), a den and comfy rec room, and an enviable laundry /storage area. The lower floor also has great potential for an in-law suite or guest space. Super greenhouse, shed, pond, and patio, with plenty of greenery, front and back.
