

3BR, 1BA Home Located Near a Ski Hill

Escape to Montreal & discover this charming two-story, three-bedroom, 1 bath home, ideal for either your primary residence or recreational retreat. Perfectly situated for enjoying ATV - snowmobile trails, as well as nearby ski hills, this home offers a comfortable & inviting atmosphere. The main level features an open concept living room & dining room, complemented by a well-appointed kitchen complete w/ a refrigerator, stove, microwave, dishwasher & attractive cabinets. Upstairs, you'll find three bedrooms, each boasting hardwood floors, along with beautifully remodeled full bathroom. The full basement offers ample storage space & includes laundry area with washer, dryer & newer heating system. Outside, a delightful covered porch & concrete side patio provide the perfect spots for relaxation or outdoor grilling. The large backyard features a firepit area & a shed, all surrounded by vinyl siding & metal roof. With city water & sewer connections, this home is as convenient as it is charming
