Located in the heart of the popular Gordon Head area on a quiet family street close to UVIC and schools makes this property the perfect family home. The large flat backyard has a kids playhouse, shed, composting area and a large entertaining patio perfect for the whole family. The in-law suite was custom built with large windows and an open concept kitchen with easy access to the side and backyard. The lower bedroom/office is a flexible space that can be used for the main house or with a couple of changes it can be added to make the suite into a 2 bedroom. The current owner has owned the home for 29 years and has kept all of the repair records for the last 29 years so you can see the level of care and attention that went into this property.
