Unit 13-2c Grove Road

This new construction split level 865 sq ft unit is located in a 24 hour secured 15 unit commercial complex located on the road across from Medical Associates Hospital on Grove Road. It is uniquely positioned close to the New Kingston, Half Way Tree and Cross Roads business districts with easy access. The mezzanine floor plan and height of approximately 24 feet allows for full use of the space for storage and office space. The reinforced concrete building is being wired for solar and all amenities are available in the area. There is one assigned parking per unit and completion projected for August 2022
