## 130 HEATHER PLACE

Located in the Heart of the Uplands area sits this True 1385sqft rancher at the end of a quiet cul-de-sac. Enjoy the elegance of this fully remodelled home with covered patio in the private fenced back yard. Upgrades include New Kitchen including Corian countertops and Stainless steel appliances, fully remodelled bathrooms, flooring, newer Roof in 2015, furnace & A/C. Also included is the nest thermostat, Keyless bluetooth door lock and programmable exterior lights. The spacious Master bedroom has 5 piece ensuite with separate shower as well as soaker tub and walk-in closet. The home boasts a 23x25 double garage and a pad for your RV or Boat in the back with back lane access. A great home with private yard. Contact Listing Broker for more details.
