With a yard like a private park, 4 bedrooms and 3 baths, a double garage, and desirable extras like a deck, sunroom, workshop, and potential rental or in-law suite, this large property is a must see! This spacious bi-level is set within an ideal lot featuring a paved drive, diverse trees (including fruit trees), garden areas, and a patio area. The lower level contains the grand family room with built-in bookshelves gracing the wood-burning fireplace. A bedroom, 3 - piece bath, kitchen and laundry area and garage/workshop access are also here. So much storage! Upstairs the comfortable front room (with fireplace) is open to the bright dining area, and the kitchen boasts plenty of light and counter space.
