1284 Malahat Dr

A great family home on a large lot centrally located in East Courtenay, close to parks, hospital and Crown Isle, and within walking distance of all levels of schools for the kids. This grand home features a covered verandah at the front door, an oak staircase in the entranceway, french doors into the dining room, and plenty of space for the family. There is a wood fireplace in living room, and a gas stove in the family room that heats the entire home, with laminate flooring throughout. With oak cabinets in the kitchen, and a sliding door onto the large fenced backyard, it is perfect for the family. An added bonus is the great room above the garage for a little extra space if you need a home office area away from the main house.
