Beautiful Home! Excellent Location! Breathtakingly fantastic scenery! A real dream Villa in paradise. Because of its strategic perch on the hill you have the option of sitting on any of the porches, or some other areas in the house and gaze in awe at the Caribbean Sea and the other lovely scenic views all around. Breathe in the tantalizing fresh sea breeze and watch the rolling waves until they soothe you. Look at Sandals White House in the distance as well as watch the pleasure boats on the high seas. Literally walk across the road to the beach. Paradise indeed. What more could you ask for? Maybe you could let others temporarily enjoy this piece of paradise by using the Master suite upstairs as an Air BnB unit. It's up to you. Call for a viewing now. You will not be disappointed.
