Tucked in the corner of a quiet cul de sac in Central Comox, close to Schools, parks and walking trails, this 3 bedroom split level home boasts the perfect floor plan. The open floor plan is bathed in light from the front door sidelights and Bay window in the Living room, with laminate flooring, entrance skylight and vaulted ceilings. The adjoining dining area is open to the kitchen with skylight and bay window, complete with stainless appliances. The patio slider opens onto the large, private lot, backing onto Brooklyn Creek, and you immediately find yourself in total seclusion. The Upper floor has 2 large bedrooms, both with double closets and access to the central bathroom, and the lower level is home to the 3rd bedroom or den, and separate laundry room with side door access to the outside. The complete package, quick possession is available.
