

7275 Lakefront Dr

Easy living at the lake in this brand new rancher in highly sought-after 'Woodland Shores' in Lake Cowichan! Exclusive access to moorage at the new marina has been reserved for a boat up to 26' in length. A terrific layout with just over 1500 sqft and plenty of room for storage. This home features nine-foot ceilings, quartz countertops in the kitchen, a heat pump, and a cozy fireplace, making it comfortable for year-round living or a perfect summer residence for the whole family. This rancher also boasts delightful views of the surrounding mountains and has ample room for RV parking. Backing onto expansive parkland, with an abundance of hiking trails surrounding the neighborhood to enjoy nature from your doorstep. This property is fully landscaped with low-maintenance gardens and this package includes appliances that you may select. Built by reputable, local builder, Warm Valley Contracting Ltd., this home is move-in ready!
