

103-7291 Prospector Avenue, Radium

Brand New Condos, a must see!

\$319,000

The Pines at Radium - Brand new units - have you at the north end of Radium, with beautiful mountain / valley views and less than a 10 minute walk to downtown village amenities. You will be treated to a luxurious ambience of upgraded stainless steel appliances through out, a contemporary kitchen with premium quartz counter top with a waterfall edge on the peninsula island, and superior kitchen features such as functional pull out pantry cabinets. The bathrooms are upgraded with porcelain tile flooring / shower walls, quartz countertop vanities, pearl toilets and matt black hardware. With time you will come to appreciate the superior construction quality of SIP panels that offer better insulation, and acoustic transmission and reduced utility consumption. If you would like to treat yourself to something better you owe to yourself to check out the The Pines at Radium.
