

4960 Coventry Lane

\$729,000

Tucked down the end of a quiet cul-de-sac, and boarded by park land is where you'll discover this very well kept 3 bed 2 bath rancher. This home has been lovingly cared for and tastefully updated/decorated over the years. The no step rancher offers 1,353 sq ft of easy living. The generous entry welcomes you with a beautiful bright skylight. The master suite offers a tidy 3pc ensuite bath with the other two bedrooms offering plenty of space each. The main hallway opens up into the large open concept kitchen, living room and dining areas featuring vaulted ceilings, cozy gas fireplace, and a bright wall of windows with sliding glass doors opening onto the south facing rear deck with park land beyond. For the gardener, there is plenty of space to exercise the green thumb in the ample fully fenced rear and side yard. This tidy offering is topped off with a single car garage and drive-way offering further parking.
