ONE OF KIND CHARACTER

738 Watson St

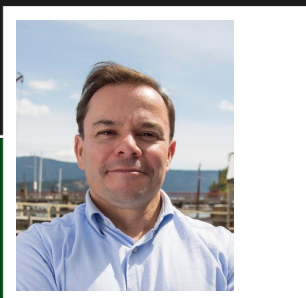

738 Watson St

All the charm of yesteryear with all the modern convenience of today. This incredibly well kept and completely updated home in the heart of Duncan offers all the ambience of a true character home without all the work. Extensive upgrades include heating, plumbing, electrical, roofs, kitchen, baths, additions, concrete work on decks, and more all designed to create a one of kind look and feel. An ideal family home with the master complete with sun room overlooking the rear yard on the main level and three more bedrooms upstairs. The yard is fully fenced for the kids and pets alike. Ideally located the home is only a short stroll to the Cowichan River trail, swimming holes, and parks. Shopping and the amenities of Duncan are not far away either. The unfinished basement area is perfect for storage or use as an in-home workshop. This very unique and beautiful home must be seen to be truly appreciated.
