## 8028 LEAVETH RD

Take a look at this Pine Lake waterfront home today w/175' frontage and prepare to be impressed! Marvel at the beautiful lake view from the classy dining room and updated kitchen with newer appliances and quartz counter-tops. A huge living room offers vaulted ceilings, impressive stone fireplace, and a commanding lake view while two bedrooms upstairs provide additional sleeping areas each with their own lake view. A master suite combines a large waterfront bedroom with a luxurious bath featuring a jet tub, dual vanities and a walk in closet! Completing the main level is another large bedroom, laundry room and full bath. Downstairs, you'll find a full walkout basement with tons of room for expansion, a workshop, and in-floor heat. Both roofs, septic, appliances and well are only 3 years old and furnishings are negotiable. Walk to Pine Lake Lodge next door and be on ATV/Snowmobile trails in seconds while being only a short drive from town.
