Welcome to this newly renovated, charming 2 bedroom, 2 bathroom home in the heart of Creston. This property features a private sitting area with fire pit, garden beds and a covered balcony, offering a perfect spot to soak in the greenery and views of the Skimmerhorn mountain range. Step inside and take your shoes off on the custom maple floating bench and discover a thoughtfully designed kitchen, complete with new appliances, cabinets featuring soft-closing doors, and Italian porcelain tile that continues through the entrance and bathroom. The kitchen's centerpiece is a beautiful white fireclay apron sink complemented by a stylish Vigo gold faucet, adding a touch of elegance to your culinary space. In addition to the kitchen, on the main floor you will find a bright living room, dining room, a bedroom and a completely updated bathroom which features double sinks that sit on a custom bamboo vanity, ceramic tile surrounding the tub/shower, and a cedar ceiling for a spa-like feel. The lower level offers a second living room with a gas fireplace keeping you cozy warm in the winter months, a second bedroom and full bathroom, laundry, and storage room.
