CAREFREE COUNTRY HOME! Take a look at what this spacious ranch home has to offer. Built in 2009 on a 3 acre wooded lot with many upgrades to offer the new buyer. The open floor plan showcases the large kitchen with island and separate pantry. You will find the laundry easy to access on the main floor with a huge closet area. All the appliances are included. The main floor master suite includes a private bath and walk-in closet. There are 2 more large bedrooms and a den to complete the main floor. Take a look at the extra large, attached 28x32 garage with loads of storage and a 12x20 storage shed with electricity, also there is a Generac 16KW whole house generator automatic switch over system with its' own LP tank. The lower level has a finished 1/2 bath and the rest of the space is ready for the new buyers design and completion plans. ATV and snowmobile right from your door! Outside is a 16' screened Gazebo that is part of the large rear deck. Come look soon!
