

# 4734 Mercury Street, Windermere

Unique, secluded acreage!

\$1,390,000

Wow location and uniqueness factor in spades. This secluded acreage (5.75) acres) in the heart of Windermere - with Windermere Creek running through the property is in a prime location for a grand estate home or developed into several upscale home sites. You are located only about a 5 minute walk or 500 meters from the lake and beach. Bring your dream to life. A clean functional mobile home is on site for usage as your build your vision.

If you cherish tranquility you need to check this out. Developers / Investors make note the seller is open to development proposals.
