Features

Superb location and the second property east of the Cedar Hill Golf Course and walking trail. This 10,431 square foot lot is at the end of a small peaceful cul-de-sac and offers many opportunities for a large or extended family to build their dream home. This level lot has RS6 zoning and secondary accommodation is permitted. Ideally located close to Cedar Hill Recreation Center, shopping, many levels of education, bus routes and multiple recreational opportunities both indoor & outdoor.
